

SF Flying Eagles

5th Annual Basketball Tournament

October 9-10th, 2010

In 2003, the SF Flying Eagles began their quest in providing organized basketball opportunities to the young through a healthy and positive environment. Through our program, we have been developing and promoting respectful behavior among the players, growing from an initial 4 teams to over 20 teams ranging from 1st grade through 12th boys and girls.

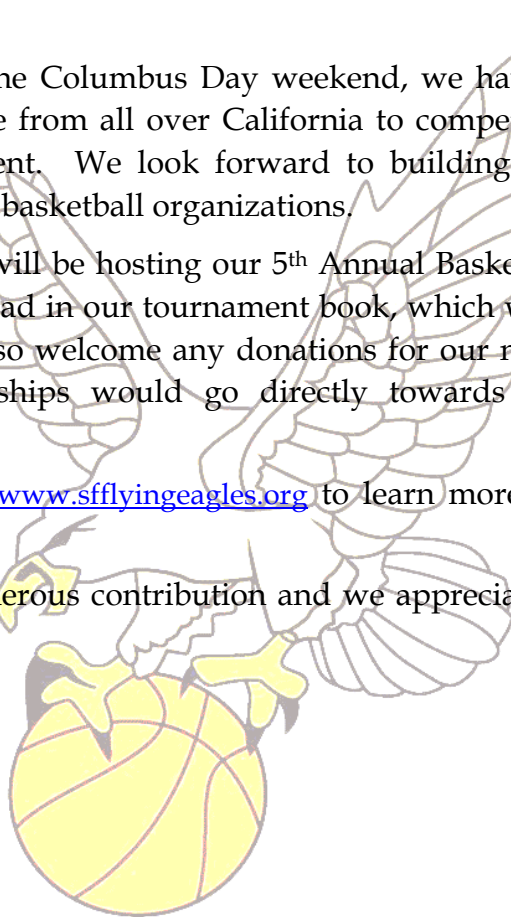

Over the past 5 years, on the Columbus Day weekend, we have enjoyed hosting the many teams that have come from all over California to compete and have fun in our inter-organization tournament. We look forward to building stronger relationships with all the Asian American basketball organizations.

On October 9-10, 2010, we will be hosting our 5th Annual Basketball Tournament. We are inviting you to place an ad in our tournament book, which would be distributed to hundreds of people. We also welcome any donations for our non-profit organization. All proceeds and sponsorships would go directly towards our youth basketball program.

Please visit our website at www.sfflyingeagles.org to learn more about our teams and organizational goals.

We thank you for your generous contribution and we appreciate your support in our endeavor.
